

Next Saturday is the afternoon with the stars in Branson at the Clay Cooper Theater. We have five, maybe seven tickets left. If you have someone who would like to go, let me or David know. We also have a few who need a ride and someone who would like to follow someone to Branson. Janet and I will be going down on Friday. I think we will not have dinner and Bible study next week since many of us will have had a busy weekend with the trip to Branson.

Good Friday is a little less than two weeks away. I hope you are working on your special and are planning on being here at 7:00 p.m. for our Good Friday service. That means Easter Sunday is two weeks away. I hope you are inviting your family and friends to celebrate the Resurrection with us.

Business meeting is today. Pray for everyone to have a safe trip to Branson.

The hymn of invitation at the end of the service is an opportunity for you to make a public profession of faith in Christ or other decision God may lead you in, such as joining our church family through baptism or letter from a church of like belief. You may also come to the altar to pray or have the pastor pray with you. May you sense God's presence as we worship together today.
