

**Yes, VBS! Concrete & Cranes
Building on the Love of Jesus
Youth and Adult July 6-10
Children July 20-24**

Look up—way up. That’s where we’re headed. Where steel and glass converge in a colossal design that appears to almost touch the sky. These magnificent structures were elaborately designed and intricately built. Yet they all began the same way—with concrete and cranes, rivets and rebar, bulldozers and backhoes; and most importantly, a **solid foundation**. This summer, kids will put on their hard hats and head out to the construction site to discover that skyscrapers aren’t the only things that need a solid foundation.

During VBS, kids will discover that Jesus’ love provides a foundation that will last. When the storms of life come, they’ll need the one who will be with them to the end of the age. When anxiety sets in, they’ll need the assurance that true worth comes from being a child of God, not from what other people think about them. When they feel unworthy, they can remember that Jesus loved them enough to die for them. They’ll learn to be wise builders who continue in what they’ve learned and firmly believe. And they will discover that He who began a good work will be faithful to carry it on to completion. We’re all a work in progress. Life is a hard hat zone. But just wait till you see what God will do!

Workers (kids and Adults) will reinforce what they learn at Blueprint Bible Study by visiting: Wrecking Ball recreation, bulldozer crafts, jackhammer music, excavator missions, and food truck snacks.
