

Scripture reading: Genesis 1:1-7

Message: Psalm 8

I. Trust the science?

- A. Science is always changing
- B. Science is used to prove a point
- C. Some are not scientists

II. Science is not bad

- A. Early scientists used science to prove the existence of God
- B. Many useful things have come from science
- C. The church cannot disagree with everything

III. The Bible and Science

- A. What about dinosaurs? *Job 40:15-24, 41:1*
- B. The flood *Genesis 7*
- C. The ocean currents *v.8*

IV. As you witness

- A. Science has always proved the Bible right, never wrong
- B. Know your Bible
- C. The focus is Jesus, not science
