- B.
- C.

IV. Her example

- A.
- B.
- C.

V. Mothers

- A.
- B.
- C.

The hymn of invitation at the end of the service is an opportunity for you to make a public profession of faith in Christ or other decision God may lead you in, such as joining our church family through baptism or letter from a church of like belief. You may also come to the altar to pray or have the pastor pray with you. May you sense God's presence as we worship together today.
